Program Website (<https://louisville.edu/music/academics/areas-of-study/music-education/>)

Academic Plan Code(s): MUEDMME

Program Information

The Master of Music Education program allows an applied music minor in an instrument, voice, or conducting. Each degree program has specific prerequisites, entrance requirements, and programmatic expectations that are described in the relevant section of the catalog.

General Information Regarding Academic Policies

- Detailed curricular and program offerings, including specific requirements and provisions for degree programs, are published in the university catalog. Students will be provided with copies of the "Handbook for Graduate Studies in Music", the "Guidelines for Preparation for the Graduate Music History Entrance Examination," and "Guidelines for Preparation for the Graduate Music Theory Entrance Examination." These documents are also available on the School of Music website (<http://louisville.edu/music/>).
- Students will be required to address any deficiencies revealed by entrance examinations in courses taken within the first two semesters of study. Credit toward the degree is not granted for review coursework.
- All students are required to complete Bibliography and Research Methods (MUS 607) by the end of the second semester of study (part-time students by the completion of 15 credit hours of graduate study). Upon satisfactory completion of requirements stated in Handbook sections B.2 and B.3, students will be considered in good standing.
- Students will complete a project appropriate to the field of study as defined by the faculty of their program. The completion of this project (public recital, thesis, professional paper) normally takes place in the last semester of graduate study. Preparation and presentation of a recital must follow the guidelines in the "Handbook for Graduate Studies in Music" and the preparation of a thesis must follow the "Guidelines for the Preparation and Processing of Theses ([https://louisville.edu/graduate/current-students/thesis-dissertation-information/](https://louisville.edu/graduate/current-students/thesis-dissertation-information/thesis-dissertation-information/))" issued by the Graduate School. The preparation of a thesis in music composition must also follow the "School of Music Thesis Formatting Guidelines for MM in Composition (<http://louisville.edu/music/academics/areas-of-study/music-composition/documents/ULCompThesisGuidelines.pdf>)".
- In order to graduate, a student must be in good standing with a minimum cumulative grade point average of 3.0. No more than six (6) credit hours with any C or C+ grade will be accepted toward a degree, and no grade below a B-minus will be accepted for a course in the student's major subject area. Hours earned beyond the minimum in any curricular areas apply only to that area and cannot be assigned to another area in order to satisfy required credit. At least one-half of the total credit hours in graduate courses must be at the 600 level. Any exceptions to the program of study must be approved by the Graduate Studies Committee. A student whose cumulative GPA falls below 3.0, or who fails to satisfy the published performance criteria, will be placed on probation. Students are ordinarily not permitted to continue on probation for more than one semester.
- When all coursework and projects have been satisfactorily completed, the student becomes a candidate for the degree and is approved to take the graduate oral examination. A candidate who fails the oral examination at the end of one semester may not be given a second one before the end of the following semester. A candidate who fails the second oral examination will not be granted the degree of MM or MME from the University of Louisville.
- Upon request, a maximum of six (6) credit hours of earned graduate credit with a minimum grade of B may be transferred from accredited institutions that offer advanced degrees. Credit for applied music will not be transferred, but advanced standing may be awarded at a jury. Ensemble credits appropriate to the student's degree program may be considered for transfer, but not to exceed one (1) credit hour per semester. Music history and music theory credits will be evaluated for transfer by the Director of Graduate Studies and the respective faculty. Transfer of more than six (6) credit hours may be requested provided that they are not earned by extension, or as thesis or practicum hours, and that the residency requirement of 24 credit hours is maintained by the addition of University of Louisville credits to the total program. Transfer of graduate hours within the University of Louisville toward a graduate degree in music may be requested provided that the minimum residence requirement of 24 credit hours is maintained.
- Students receiving a graduate assistantship (teaching, research, or service) will be provided with adequate training and will be required to adhere to university policies. Performance of duties in research and service by graduate assistants will be periodically evaluated. Students with teaching assistantships will be evaluated each semester.
- Part-time students (with the exception of those in the MME degree program) must participate in one ensemble for every 18 credit hours of completed coursework. If part-time study precludes completing ensemble degree requirements, other coursework may be substituted.
