

# CURRICULUM AND INSTRUCTION (EDS)

## Specialist in Education in Curriculum and Instruction

Unit: College of Education and Human Development (<https://louisville.edu/education/>) (GE)

Department: Elementary, Middle & Secondary Teacher Education (<https://louisville.edu/education/departments/mise/>)

Program website (<https://louisville.edu/education/degrees/es-ci/>)

Academic Plan Code(s): C&I\_EDS

## Program Information

The EdS (Education Specialist) degree in Curriculum and Instruction is a 30 credit hour, post-master's degree program. The program prepares classroom teachers to become curriculum and instruction specialists so that they are well-prepared to lead within their schools, districts, or region, specific to a particular area of teaching.

Potential candidates for this degree are teachers who have completed a master's degree in education or a Master of Arts in Teaching, or related field, and are interested in continuing their educational pursuits but are not interested in pursuing a PhD in Curriculum and Instruction.

The program will provide graduates with expertise needed for strong instructional leadership in schools, including extensive knowledge of:

- Curriculum
- Leadership and coaching
- Data analysis and research methods to support data-driven decision making
- One are of expertise within teaching (e.g., science teaching, elementary mathematics specialist, reading specialist, special education)

### Admission Requirements

- Submit Graduate Application (<https://graduate.louisville.edu/admission/apply/>)
- Master's degree in Education (or related area) with a minimum 3.3. GPA
- Official undergraduate and graduate transcripts
- A written rationale for pursuing the degree, including philosophy of education (limit of one page)
- A current resume or vita
- Three years of full-time K-12 teaching experience
- Two written letters of recommendation attesting to the candidate's skills and understanding of (a) ability to improve student achievement, (b) leadership, (c) advanced knowledge of curriculum, instruction, and assessment. One must be from the current site supervisor.
- Completion of six (6) credit hours of advanced teaching coursework (beyond initial teacher preparation program)
