Resources for DMD Students

Office of Student Affairs

The Office of Student Affairs of the School of Dentistry coordinates several supportive services for students enrolled in dentistry, dental hygiene, and advanced education programs. Services include coordinating the application process, providing counseling, advising, financial aid support, coordinating tutoring services, and serving as a student advocate. The School employs an Assistant Director for Student Affairs and a full time Academic Counselor.

Office of Academic Affairs

The dental school Program Coordinator, Sr. manages all student records and course enrollment and maintains student files for those enrolled in the School of Dentistry. The Program Coordinator, Sr. compiles and distributes grades, rankings, and provides services to students who need unofficial University records and credentialing documents to support applications for state licensure, insurance certification, postgraduate training, or military benefits. The Program Coordinator, Sr. is located in the Academic Affairs Office, in room 239.

Housing

Please visit the housing website (<https://louisville.edu/housing/>) to learn about what housing options are available. There are many apartments near HSC campus and others a little further away. You can view available apartments throughout the Louisville area in the Apartment Guide (<https://www.apartmentguide.com/apartments/Kentucky/Louisville/>).

The Office of Student Affairs also provides information on private housing options that have been recommended by current and former students.

Title IX Director's Office

The University strives to provide a safe environment and is committed to keeping the health and well-being of the campus community in the forefront of our thinking. Title IX Director ensures that every person affected by the University's operation, including faculty, staff, and students, is aware of their legal rights under Title IX and that the school and all its employees, through its policies, procedures and practices, complies with its legal obligations. Specifically, the Title IX Director oversees the University's preventive education about, and response to, sexual misconduct including sexual harassment (includes quid pro quo and hostile environment); sexual assault; domestic violence; dating violence; and stalking.

The Title IX Director's contact information is:
