Hours

BIOCHEMISTRY (BS)

This program was approved for students entering the university in the Summer 2025-Spring 2026 catalog year. For more information about catalog year, go to Catalog Year Information (https://catalog.louisville.edu/undergraduate/university-wide-unit-specific-policies/catalog-year/).

Bachelor of Science in Biochemistry

Unit: College of Arts and Sciences (AS) (http://www.louisville.edu/a-s/)
Department: Chemistry (http://louisville.edu/chemistry/)
Academic Plan Code(s): BIOCBS

Program Information

The BS in Biochemistry degree program is designed to provide an interdisciplinary curriculum in chemistry and biology and prepare students for careers in biochemistry and biotechnology.

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.

Degree Summary

Code	Title	Hours
General Education undergraduate/g	on Requirements (https://catalog.louisville.edu/ general-education-requirements/) ¹	31
College/School F	Requirements	13-15
Program/Major F	Requirements ¹	65
Supporting Cour	ses	16-18
Minimum Total F	lours	121

Some credit hours from the General Education Requirements may be satisfied by courses defined by the program, in which case additional electives may be required to complete the minimum hours for the degree.

Specific coursework information can be found on the Degree Requirements tab.

Departmental Admission Requirements

Admission to the major in Chemistry requires completion of CHEM 202 (https://catalog.louisville.edu/search/?P=CHEM%20202) (or equivalent course from another institution) with a grade of C or better.

The Application for Major form can be found on the Arts & Sciences Advising Center website (http://louisville.edu/artsandsciences/advising/apply/).

General Education Requirements

	aacatton megan emente	
Code	Title	Hours
General Education	on Requirements * *	31
-	ourses are required by the program and can satisfy eneral Education Requirement:	
CHEM 201	General Chemistry I - S (https:// catalog.louisville.edu/undergraduate/general- education-requirements/)	

Introduction to Chemical Analysis I - SL (https://catalog.louisville.edu/undergraduate/general-education-requirements/)
Calculus I - QR (https://catalog.louisville.edu/ undergraduate/general-education-requirements/)
Fundamentals of Physics I - S (https:// catalog.louisville.edu/undergraduate/general- education-requirements/)
5 Introductory Laboratories I - SL (https:// catalog.louisville.edu/undergraduate/general- education-requirements/)

*This degree requires the completion of the University-wide General Education Program (link provided above). To complete the degree in the minimum number of hours listed on the Overview tab, some hours from the General Education Requirements must be satisfied by courses defined by the unit and/or program. If additional hours taken within the program also satisfy General Education requirements, students may need to take additional electives to satisfy the minimum hours required for the degree.

College/School Requirements

Title

Minimum Total H	ours	13-15
WRtwo approved	d courses at the 300-level or above ^{2, 3}	
or PHIL 328	Environmental Ethics	
or PHIL 325	Feminist Medical Ethics - AH (https:// catalog.louisville.edu/undergraduate/general- education-requirements/)	
or PHIL 323	Medical Ethics	
PHIL 321	Ethics	3
ENGL 303	Scientific and Technical Writing - WR (https://catalog.louisville.edu/undergraduate/general-education-requirements/)	3
Foreign Language	21	6-8
GEN 100 or GEN 101	Student Success Center First Year Experience Arts & Sciences First Year Experience	1
Arts & Sciences R	•	-
oouc		

- Completion of the second semester of a single foreign language; hours will vary depending on language taken.
- Satisfies 3 credit hours of electives in Humanities or Social Sciences at the 300-level or above requirement; requirement is in addition to courses counted toward General Education.
- ENGL 303 and CHEM 470 satisfy the WR course requirements.

Fall		

The Flight Plan outlined above is intended to demonstrate one possible path to completing the degree within four years. Course selection and placement within the program may vary depending on course offerings and schedule, elective preferences, and other factors (study abroad, internship availability, etc.). Please consult your advisor for additional information about building a flight plan that works for you.

Degree Audit Report

Degree Audit reports illustrate how your completed courses fulfill the requirements of your academic plan, and which requirements are still outstanding. Degree audits also take transfer credits and test credits into account. "What-if" reports allow you to compare the courses you have completed in your current academic plan to the courses required in another academic plan. Should you have questions about either report, please consult with your academic advisor.

Flight Planner

The Flight Planner tool is available for you to create a personalized Flight Plan to graduation. Advisors have access to review your Flight Planner and can help you adjust it to ensure you remain on track to graduate in a timely manner.

To create these reports:

- 1. Log into your ULink account.
- 2. Click on the Academic Progress tile.
- 3. Select the appropriate report.
 - a. To run a Degree Audit report, click on "View my Degree Audit."
 - b. To create a What-if report, click on "What-if Advisement Report."
 - c. To run a Flight Planner report, click on "Use My Flight Planner."

Click here to run a Degree Audit report, create a What-if report, or run a Flight Planner report. (https://ulink.louisville.edu)
