Soaring Scholars Program-Accelerated BS/MS in Criminal Justice

Criminal Justice majors who are considering pursuing a master's degree (MS) in Criminal Justice can speed up the process through the Soaring Scholars program. Students accepted into the Soaring Scholars program (Accelerated BS/MS program) can take four graduate courses (12 credit hours) as an undergraduate that would apply toward both the bachelor's degree and the master's degree. An additional benefit of the Soaring Scholars program is that those 12 credit hours would be charged at the undergraduate tuition rate.

Interested students should apply to the Soaring Scholar's program during their Junior year (i.e., when they have accumulated 60-75 hours of credit). Applicants must have at least a 3.0 GPA at the time of application. This program is available to both on campus and online students.

Undergraduate students interested in participating in an accelerated dual bachelor's/master's degree offered through the university's Soaring Scholar Program (<https://graduate.louisville.edu/academics/programs/soaring/>) must first meet with their Academic Advisor to determine eligibility and apply to the program. Once accepted, students will receive an official admission letter outlining program policies and details. They will then work with their department and academic advisor to register for classes each semester, ensuring they meet the milestones and academic progress requirements of the Soaring Scholar Program (<https://graduate.louisville.edu/academics/programs/soaring/>). A Soaring Scholar (<https://graduate.louisville.edu/academics/programs/soaring/>) student is considered an undergraduate student until their bachelor's degree is conferred. In their final undergraduate semester, they are expected to apply for admission to their respective master's program.

Departmental Admission Requirements

There are no specific admission requirements for this degree plan.

The Change Major Request form can be found under the Academic Progress tile on ULink.

Soaring Scholars Program-Accelerated BS-MS in Criminal Justice

Students apply during the first or second semester of their Junior year (usually when they have earned between 60-75 hours) and must have a 3.0 GPA at the time of application.

Students interested in applying to the BS/MS Criminal Justice Soaring Scholars program should follow the application process outlined in the Soaring Scholars Application Checklist (<https://graduate.louisville.edu/academics/programs/soaring/>); minimum requirements for the BS/MS in Criminal Justice Soaring Scholars program are also listed there.

Admission to a Soaring Scholar program does not guarantee admission into the associated master's degree program. Soaring Scholar students must apply to the associated graduate program in their last semester, before graduating with the bachelor's degree, to be considered for the Accelerated Master's graduate program. They must meet all the requirements for admission to the graduate program at the time of application to be admitted. Learn more about the graduate admissions process (<https://graduate.louisville.edu/admission/apply/>) and admission requirements for the Criminal Justice Master's program (insert unique URL for each program).
