Department: Comparative Humanities (<http://louisville.edu/humanities/>)
Academic Plan Code(s): See Track Requirements tab.

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.

Program Information

The Department of Comparative Humanities explores the question, what does it mean to be human? Using many humanities disciplines such as literature, religion, Jewish Studies, film, philosophy, theatre, music, visual arts, and linguistics, our courses and our major invite students to explore the answers to this question from global, historical, and contemporary viewpoints.

Students are challenged to develop critical reading, writing, and thinking skills, but they are also challenged to apply what they have learned in creative and complex ways through project-based assignments that inspire them.

As a result, the degree provides flexible, transferable skills that prepare our graduates for the dynamic contemporary job market.

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.

Accelerated BA/MA in Humanities

Exceptional humanities majors have the opportunity to accelerate their education and complete both the BA and MA in five years. This 4+1 program is suitable for those students capable of undertaking graduate level work in their senior year.

Undergraduate students interested in participating in an accelerated dual bachelor's/master's degree offered through the university's Soaring Scholar Program (<https://graduate.louisville.edu/academics/programs/soaring/>) must first meet with their Academic Advisor and be accepted into the program.

A Soaring Scholar student is considered an undergraduate student until their bachelor's degree is conferred. In their final undergraduate semester, they are expected to apply for admission to their respective master's program.

Applicants are expected to have a strong academic record: normally a cumulative GPA of 3.35 or better is required.

Application and admissions processes are through the Soaring Scholar Program: <https://graduate.louisville.edu/academics/programs/soaring/> (<https://graduate.louisville.edu/academics/programs/soaring/>)

Admission to a Soaring Scholar program does not guarantee admission into the Humanities master's program. Soaring Scholar students must apply to the associated graduate program in the last semester of their fourth year, before graduating with the bachelor's degree, to be considered for the Accelerated Master's graduate program. They must meet all the requirements for admission to the graduate program at the time of application to be admitted. Learn more about the graduate admissions process and admission requirements for the Humanities Master's program (<https://louisville.edu/humanities/graduate/ma/application-instructions/>)

Departmental Admission Requirements

Admission to the BA in Humanities requires completion of 15 semester hours and a minimum cumulative grade point average of 2.0.

The Change Major Request form can be found under the Academic Progress tile on ULink.

The Flight Plan outlined above is intended to demonstrate one possible path to completing the degree within four years. Course selection and placement within the program may vary depending on course offerings and schedule, elective preferences, and other factors (study abroad, internship availability, etc.). Please consult your advisor for additional information about building a flight plan that works for you.

Degree Audit Report

Degree Audit reports illustrate how your completed courses fulfill the requirements of your academic plan, and which requirements are still outstanding. Degree audits also take transfer credits and test credits into account. "What-if" reports allow you to compare the courses you have completed in your current academic plan to the courses required in another academic plan. Should you have questions about either report, please consult with your academic advisor.

Flight Planner

The Flight Planner tool is available for you to create a personalized Flight Plan to graduation. Advisors have access to review your Flight Planner and can help you adjust it to ensure you remain on track to graduate in a timely manner.
