This program was approved for students entering the university in the Summer 2025-Spring 2026 catalog year. For more information about catalog year, go to Catalog Year Information (<https://catalog.louisville.edu/undergraduate/university-wide-unit-specific-policies/catalog-year/>).

Bachelor of Arts in Political Science
Unit: College of Arts and Sciences (AS) (<http://www.louisville.edu/a-s/>)
Department: Political Science (<http://louisville.edu/politicalscience/>)
Academic Plan Code(s): See Track Requirements tab.

Program Information

This program can be completed 100% online (<https://louisville.edu/online/programs/bachelors/online-bachelor-of-arts-in-political-science/>).

Bachelor of Arts in Political Science program at UofL cultivates an understanding of policy, politics and governments in the United States and around the globe. We offer a wide range of courses including campaigns and elections, the Presidency and Congress, social movements and civil rights, terrorism and war, constitutional law, environmental policy, religious politics, urban politics and poverty, and international politics. The department is a particularly inviting environment for students, with small class sizes, our own building, a computer lab, and options to specialize via several tracks in our major.

Political Science majors at the University of Louisville have been extremely successful in earning prestigious scholarships and fellowships. The roster of recent successes includes numerous Fulbright Award winners and multiple Truman Scholars. Since 2010, three of our students have won the annual Mary Churchill Humphrey scholarship, often described as UofL's Rhodes Scholarship because it supports graduate study in Great Britain. Many of our majors go on to have successful careers in government, international affairs, nongovernmental organizations, business, academia, and media.

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.

College/School Requirements		22
Program/Major Requirements ¹		15
Track Requirements ^{1,2}		53
Minimum Total Hours		121

¹ Some credit hours from the General Education Requirements may be satisfied by courses defined by the program, in which case additional electives will be required to complete the minimum hours for the degree.

² Political Science offers three BA options (two tracks and one non-track). For all three options, including the non-track, please refer to the Track Requirements tab.

Specific coursework information can be found on the Degree Requirements tab.

Accelerated BA/MA in Political Science

Political Science majors who are considering pursuing a master's degree (MA) in Political Science can speed up the process by applying some of their undergraduate credit hours toward a master's degree. Students accepted into the Accelerated BA/MA take 9-12 credit hours (depending on the graduate option selected) as an undergraduate that apply toward both the bachelor's degree and the eventual master's degree.

Undergraduate students interested in participating in an accelerated dual bachelor's/master's degree offered through the university's Soaring Scholar Program (<https://graduate.louisville.edu/academics/programs/soaring/>) must first meet with their Academic Advisor and be accepted into the program. Once accepted, students will receive an official admission letter outlining program policies and details. They will then work with their department and academic advisor to register for classes each semester, ensuring they meet the milestones and academic progress requirements of the Soaring Scholar program. A Soaring Scholar student is considered an undergraduate student until their bachelor's degree is conferred. In their final undergraduate semester, they are expected to apply for admission to their respective master's program.

Departmental Admission Requirements

There are no specific admission requirements for this degree plan.

The Change Major Request form can be found under the Academic Progress tile on ULink.

Accelerated BA/MA Admission Requirements

The Department of Political Science also offers its undergraduate majors an opportunity to earn both a BA degree and an MA degree at an accelerated pace. The non-thesis track of the program allows students to complete twelve (12) credit hours of graduate coursework while enrolled as undergraduate students. The thesis track of the program allows students to complete nine (9) credit hours of graduate coursework while enrolled as undergraduate students. Interested students should apply to the program during their Junior year (i.e., when they have accumulated 60-90 hours of credit). Students must be Political Science majors with a GPA of approximately 3.2 or higher.

To apply, students must obtain two letters of recommendation from faculty attesting to their ability to do high-quality academic work at the graduate level. Students must also write a personal statement where they describe their professional or occupational objectives, areas of interest in political science, and how the department's program (and specific faculty) will help to achieve those objectives. The GRE is not required. All application materials should be sent to the department's Director of Graduate Studies. See the department website for contact information.

The Flight Plan outlined above is intended to demonstrate one possible path to completing the degree within four years. Course selection and placement within the program may vary depending on course offerings and schedule, elective preferences, and other factors (study abroad,

internship availability, etc.). Please consult your advisor for additional information about building a flight plan that works for you.

Degree Audit Report

Degree Audit reports illustrate how your completed courses fulfill the requirements of your academic plan, and which requirements are still outstanding. Degree audits also take transfer credits and test credits into account. "What-if" reports allow you to compare the courses you have completed in your current academic plan to the courses required in another academic plan. Should you have questions about either report, please consult with your academic advisor.

Flight Planner

The Flight Planner tool is available for you to create a personalized Flight Plan to graduation. Advisors have access to review your Flight Planner and can help you adjust it to ensure you remain on track to graduate in a timely manner.

To create these reports:

1. Log into your ULink account.
2. Click on the Academic Progress tile.
3. Select the appropriate report.
 - a. To run a Degree Audit report, click on "View my Degree Audit."
 - b. To create a What-if report, click on "What-if Advisement Report."
 - c. To run a Flight Planner report, click on "Use My Flight Planner."
